The Lucas Greenhouse shipping team works hard to accommodate your delivery requests and needs. With a fleet of 6 tractor-trailers and 20 straight trucks year-round, they are ready to deliver what you need, when you need it. All of our trucks are equipped with lift gates and all of your plants are shipped on our convenient-to-unload carts, making for a fast and efficient delivery. We also ship our product with protective curtains on each side; this helps insure a safe trip for your product. Both local and long-distance delivery is available. Minimum orders and delivery charges apply to every order.

With our 20 bay loading dock and fully staffed shipping department, we are prepared to handle vehicles of all sizes quickly. If you would like to schedule your order to be a CPU, indicate that when placing your order.

Typically, our shipping week is Monday – Friday, with an option of Saturday deliveries during peak times. Your flexibility on receiving is key to the speed in which you will receive your orders. Each delivery situation will be dealt with on a case-by-case basis, using the minimum order guidelines outlined in the freight chart. If you have an order that does not meet our minimum for your zone, we will work to try to match your order up with similar orders in your area.
