Spring Sensations

by Lucas Greenhouses 2015

Program Features and Benefits:

-  The components of each *Spring Sensation* are chosen specifically for their superior beauty, heat tolerance, and overall uniformity as a combination.
-  We offer all 30 combos in 4 different pot sizes; our #12 hanging basket, #12 terra pot, #14 moss basket, and #14 terra pot.
-  Our combos have been created with only the best genetics, featuring Proven Winners and Goldfish varieties.
-  *The Spring Sensations* program includes 30 different combinations, providing a broad spectrum of sale for each of your individual customers.
-  “*Spring Sensations*” tags, unique to each combo and featuring a barcode specific to that pot and size, are available for **finished** orders only.

Indicates variety upgrades to the combination, as of the 2015 season.
